How "the other side" view boycotts (not mentioning the blatant hypocrisy and cries for boycott of companies, that support marriage equality , by the very same pretend christian hategroups) :

Hope Childress Neudert They will ALWAYS ALWAYS ALWAYS believe that their way is the only way. There is no way whatsoever in reasoning with extreme fundamental Christians. You can't reason with people who take literally word for word a book that was written over 2000 years ago. *smh*

Rachelle Murphy Well, that's what you get for putting yourself in a situation where you may have to serve a gay wedding. Don't want to take part in a gay wedding? Don't sell one of the main items that goes in them.

I'll bake you an extra special cake and fill it do full of special ingredients that you won't be able to stand for a month or, if forced to take your wedding pictures against my will, make sure they don't turn out so well. Just saying this to make a point...do you really want people to service you that don't want to? Payback is so nasty, but you deserve everything you get and people

This just breaks my heart. They were so sure that bigotry would win and that their business wasn't suffering.

Anyone remember him? When he was head of the infamous Oregon citizens alliance which promoted all kinds of anti gay legislation including the notorious ballot measure 9? When he couldn't sell his genocide for Jesus snake oil (to others but a few bakers in Oregon) he moved on to incite more killings and murders against GLBTQ people .. http://www.wweek.com/portland/blog-30573-scott_lively_former_.html

Jan Weeks Oh, I am so sorry to hear that, Melissa. You have fought well and with integrity, and I know you'll continue to fight the good fight. The war won't end til we're swept away, but we have a Great and Mighty God Who holds you and strengthens you. Be encouraged!

Jason Caito I can't help but notice how many have mentioned fighting and war. I know I'll be deleted and blocked for my "free expression" but doesn't that tell you all something? I'm devout myself but I think maybe you all really missed a lot of points the bible makes. Peace be with you, but this news doesn't surprise me in the least.

Our petition signatures to the State Attorney General, Ellen Rosenblum, to take action against Sweet Cakes By Melissa and Fleur Cakes for illegal discrimination have been officially hand delivered to the Oregon Dept. of Justice!!! We met with the Deputy AG, Marry Williams (who happens to be gay...). We talked about similar cases in Washington and Colorado and presented her with the information on those cases as well. She assured me that she is on our side and will do everything within the law to make sure our rights are protected. At this time, it is now in their hands.
